Already inspected and approved, Annie won the 3 year old class in the Alberta Young Prospects Program in 2016 based on conformation and movement. 16.1hh and nearly black, she has that wonderful Gatsby trainability and lovely mind along with beauty and talent. She has been easy to start, is very sweet to work with and has excellent barn manners. Clips, loads and trailers well, good with the farrier and all barn procedures. She spent the winter in Florida developing and did a couple small schooling shows. The dressage judges loved her and she proved brave and careful in the jumper ring.
