

## Crimson Mist

**Registered CWB by Portland L (Westphalian)**

**7 year old, 16.1hh mare**

Sire Information: Portland's own pedigree includes top jumping sire, Pilot and dam sire Ramiros Z, both top stallions of the century in Europe. For more information about the sire and pedigree click here: <http://equitopfarm.com/stallions>

This mare placed second in the AHTA New Prospect Program, based on her movement, jumping ability and suitability as an amateur horse. She has a great jump and super topline that gives her balance and beauty. She started her showing career in 2016 with several Horse Trials and a Dressage and Jumper Show where she placed 2<sup>nd</sup> in Training Level dressage in a competitive class of 15 and was consistently clear over jumps at 2'9". She will commence her showing season at the 3' level. Video links below. For more photos, please email or text.

Super trot and shows good relaxation in her work. A pleasure to take to shows – no need for lungeing. She has been in the ribbons at every show, has plenty of ability and is a real quality horse to develop and show in the discipline of your choice.
